

Year 11 Parents' Revision Evening

The Oakwood  
Academy

# Year 11 Parents' Revision Evening

# Plan for Evening

6:00-6:40

- How to prepare for your GCSE's early (CRO)
- Revising for Core Subjects (JCH, SSA and ABR)
- How important is attendance? (CRO)
- November Mock Exams
- Mental Health Support

6:40-7:15 (Done totally by 7:25)

Revision Fayre

- Heads of Faculty have their own station with revision resources
- GCSE Pod station
- Class Charts Support
- Items available to purchase for cheaper than the shops
- Speak to your child's teachers about the best way to revise

# Preparation for GCSE

# Common Issues

- Not starting to revise early enough
- Forgetting to revise key topics
- Reading notes again and again
- Not gearing revision to specific exams
- Learning essays off by heart
- Putting off revision – Lack of motivation
- Losing interest
- Unable to fit revision into schedule
- Feeling overwhelmed
- Revising what you are confident with already

# Nice tidy and quiet workspace

# Year 11 Parents' Revision Evening

# Weekly Planner

**study planner** week starting 21/10/24

	mon	tue	wed	thu	fri	sat	sun
6 AM	/	/	/	/	/

7 PM				Out w/ friends			
8 PM							
9 PM							
10 PM	/	/	/	/	/		

colour code 7 Break 9 Day off

**monday**

- History Paper 1 - Medicine
- Biology - Educate

**tuesday**

- Maths Watch
- Language Nut

**wednesday**

- English Long
- English Lit

**thursday**

- Business
- Chemistry

**friday**

- History P3
- Maths Watch

**saturday**

- Day off

**sunday**

- Day off

**to do list**

- Maths HWK
- Language Nut HWK

©noted.

## Guidance

- Only focus on a couple of lessons each day
- GIVE YOURSELF BREAKS
- Days off are OK
- Put everything you are doing that week on there
- Is there a time you work better? Morning, Mid-afternoon?
- Sharp bursts of revision – REVISE WHAT YOU NEED TO KNOW NOT WHAT YOU KNOW ALREADY.
- Put it in a central area at home so parents can see too.

Why is revision so important?

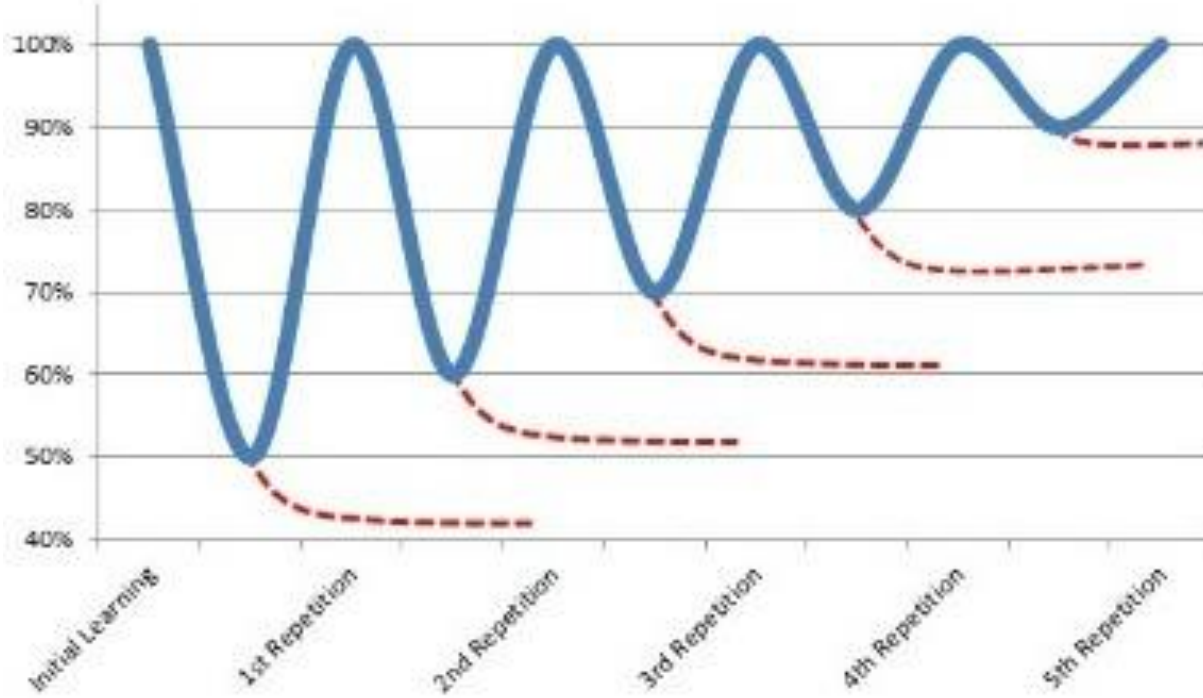

# Develop your Memory

Just reading through notes or exercise books the night before an exam won't work. Your brain is like a muscle. Exercise it to make it stronger.

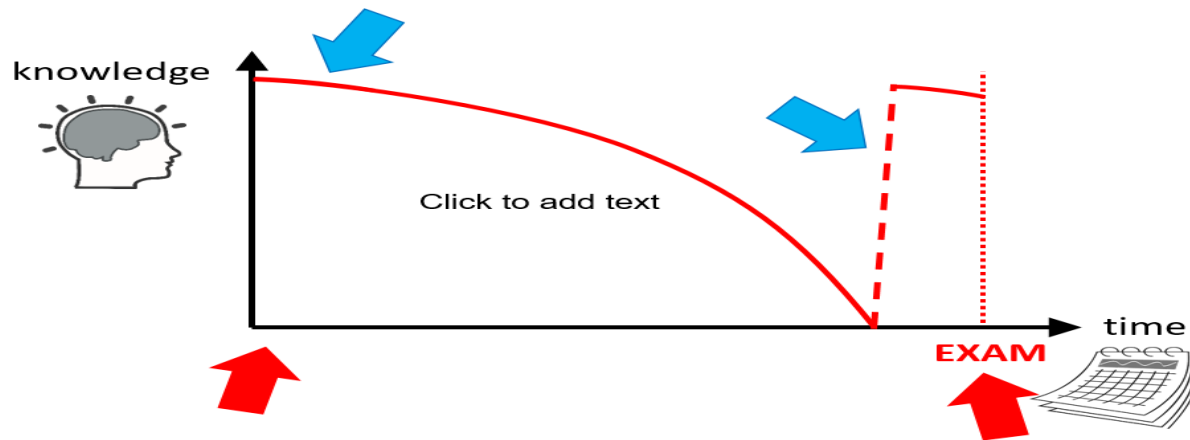

# Ebbinghaus Forgetting Curve

# Normal Revision

# Recap and Recall 25-30 mins focus.

# Methods of Revision

- Mindmaps
- 30 Circles
- Condensing Knowledge
- Frayer Model
- Flashcards
- Practice Exam Questions
- Knowledge Dumps
- Use of School Website
- GCSEPOD/Educake/Language Nut (Speak to the following staff for this)

GCSE Pod – Mr Rochester

Educake – Mr Bradbury

Language Nut – Mr Cunningham

Section B

Writing for Purpose

# English Literature

## Paper 1: Shakespeare and the 19<sup>th</sup> century novel

### What's assessed

- Macbeth
- A Christmas Carol

### How it's assessed

- written exam: 1 hour 45 minutes
- 64 marks

## Paper 2: Modern texts and poetry

### What's assessed

- \* Modern prose or drama texts
- \* The poetry anthology
- \* Unseen poetry

### How it's assessed

- \* written exam: 2 hour 15 minutes
- \* 96 marks

**Macbeth**

**Act One Scene Seven:**

**LADY MACBETH: "I would, while it was smiling in my face,/Have plucked my nipple from his boneless gums,/And dashed the brains out."**

<p><b>Meaning</b></p> <p>Lady Macbeth's threat — whilst clearly imaginary and hyperbolic — is used to mock Macbeth's hesitation in killing King Duncan. She claims that she would murder her own child if she had promised him she would.</p>	<p><b>Method</b></p> <p>Violent imagery Verbs</p>
<p><b>Analysis/Effect</b></p> <ul style="list-style-type: none"><li>• Her ruthless nature is accentuated by the speed with which she is willing to act – the verbs "plucked" and "dashed" both suggest swift, clinical movements. The contrast of the vulnerability connoted by "boneless" and the cruelty of the somewhat clinical "brains" amplify the gruesome nature of murdering the innocent.</li></ul>	<p><b>Context</b></p> <p>Lady Macbeth is the antithesis of a traditional subservient Jacobean female. She rejects her maternal and womanly instincts in favour of her desire for political success.</p>

# Other ways to revise...

Priestley: An Inspector Calls

Section A: Shakespeare

Answer one question from this section on your chosen text.

---

EMER

**Macbeth**

Read the following extract from Act 3 Scene 5 of *Macbeth* and then answer the question that follows.

At this point in the play Lady Macbeth is speaking. She has just received the news that King Duncan will be spending the night at her castle.

The raven himself is hoarse  
That croaks the fatal entrance of Duncan  
Under my battlements. Come, you spirits  
That tend on mortal thoughts, unsex me here,  
And fill me from the crown to the toe topfull  
Of direst cruelty; make thick my blood,  
Stop up th'access and passage to remorse  
That no compunctious visitings of nature  
Shake my fall purpose nor keep peace between  
This will'd and it. Come to my woman's breasts,  
And take my milk for gall; you murdering ministers,  
Whom ever in your sightless substances  
You seal on nature's mischief. Come, thick night,  
And pall thee in the dunnest smoke of hell,  
That my keen knife see not the wound it makes

# How to prepare for core subjects

Maths

# Mathematics

How do I get better at maths?

Practice, practice practice!!!!

**You need:**

- High competency on the A01 skills and...
- ... the ability to apply these skills and to problem solve on the A02 and A03 questions.

Skill

Apply

Problem  
Solve

- Content from any part of the specification may be assessed on any paper – **I CANNOT TELL YOU WHICH TOPICS WILL APPEAR ON WHICH PAPER!**
- Each paper is a **mix of questions**, from short, single-mark questions to multi-step problems. The mathematical demand increases as you progress through the paper.
- The ***approximate*** weightings of the topic areas across the three papers is as follows:

Topic Area	Foundation Tier (%)	Higher Tier (%)
Number	25	15
Algebra	20	30
Ratio	25	20
Geometry	15	20
Probability & Statistics	15	15

# MathsWatch

- Covers every topic at Higher and Foundation Tier!
- Has a video for every topic!
- Has interactive questions that will be marked instantly!
- Can be used over and over again.
- It can help you quickly identify your areas of strengths and those in need of further development.

<https://vle.mathswatch.co.uk/vle>

Year 11 Parents' Revision Evening

**Get instant feedback from these questions!**

**Filter by Tier , Grade, Topic!**

The screenshot shows the MathsWatch website interface. At the top left is the MathsWatch logo. The main navigation bar includes 'My Work', 'Videos', 'My Progress', 'Feedback', and 'Extras'. Below the navigation bar, there are three tabs: 'One Minute Maths', 'Interactive Questions', and 'Worksheet'. The 'Interactive Questions' tab is highlighted with a black box and an arrow pointing to it from the text 'Get instant feedback from these questions!'. The main content area features a video player with the title 'AREA OF A CIRCLE' overlaid in large yellow text. At the bottom left of the video player is a play button and a progress bar showing 06:32. On the right side, there is a 'Find a Clip' search panel, which is highlighted with a red box and an arrow pointing to it from the text 'Filter by Tier , Grade, Topic!'. This panel contains filters for 'Qualification' (GCSE), 'Tier' (All), 'Grade' (All), 'Topic' (All), and a 'Search' field containing the text 'area'. Below the search panel is a 'Choose Clip (10)' section with a table of clips.

Clip	Title
53	Area of a Rectangle
54	Area of a Triangle
55	Area of a Parallelogram
56	Area of a Trapezium
114a	Surface Area of Cuboids
114b	Surface Area of Triangular Prisms
117	Area of a Circle
201	Similarity - Area and Volume
203	Area of a Triangle Using Sine

# Year 11 Parents' Revision Evening

## AQA HIGHER: Frequency of topics appearing – with Maths Watch Clips

Topic	Frequency	MW Clip No	Topic	Frequency	MW Clip No	Topic	Frequency	MW Clip No	Topic	Frequency	MW Clip No
Compound interest	100%	164	Enlargements	73%	148/181	Fraction of an amount	55%	72	Quadratic graphs	36%	98
Volume of 3D shapes	100%	169/171	Relate ratio for fraction/%	73%	165c	Translations	55%	50	Multiply/divide decimals	36%	66/167
Venn diagrams	100%	127a/127b	Sine rule	73%	202a	Fractions Decimals Percentages	55%	85	Reciprocal graphs	36%	161
Product rule for counting	100%	69	Equation of a circle	73%	197	Area of rectangles	55%	53	Coordinates problem (inc Ratio)	36%	
Histograms	100%	205	Averages from a table/diagram	73%	130a	Find a probability	55%	59	Algebraic fractions (equations)	36%	210b
Substitution	100%	95	Surd calculations	73%	207a/b	Reflections	55%	48	Equation of a tangent to circle	36%	208
Speed Distance Time	91%	142a	Percentage of an amount	73%	86/87	Congruent shapes	55%	12b/166	Using a calculator	27%	77
Share into a ratio	91%	106	Factorising (1 or 2 brackets)	73%	94/192	Reverse percentages	55%	110	Plans and elevations	27%	51
Use a probability to find amount	91%	59	Completing the square	73%	209	Standard form calculations	55%	83	Equations of perpendicular lines	27%	208
Box plots	91%	187	Inverse functions	64%	214	Rotations	55%	49	Scatter graphs	27%	129
Upper and lower bounds	91%	206	Similar lengths	64%	144	Expand / Simplify	45%	134	Percentage change (profit/loss)	27%	109
Exact trig values	91%	173	Bearings	64%	124	Quadratic inequalities	45%	212	Metric unit conversions	27%	112
Direct / Inverse proportion	91%	199	Surface area	64%	114	Fibonacci sequence	45%	141	Inequality (list values)	27%	138
Algebraic fractions (simplify)	91%	210a	Area of sectors	64%	167	Distance time graphs	45%	143	Inverse proportion	27%	42
Composite functions	91%	215	Geometric sequences	64%	163	Expand a triple bracket	45%	178	Change the subject appears twice	27%	190
Higher Index laws	91%	154/188	Error intervals	64%	155	Loci	45%	146	Circumference	27%	118
Cosine rule	91%	202b	Transformations of graphs	64%	196	Arc length	45%	118	Quartiles	27%	
Speed-Time graphs	91%	216a	Change subject (appears once)	64%	190	Find the equation of a line	45%	159	Faces edges vertice	27%	43
Index laws (basic)	91%	82/131	Trig Graphs	64%	195	Estimation	45%	91	Midpoint of a line	27%	133
SOHCAHTOA	82%	168	Column vectors	64%	174	Missing values in identities	45%		Use a scale on a map	27%	
Vectors	82%	219	Similar area/volume	64%	201	Standard form conversions	45%	83	Algebraic language	18%	7
Linear sequences	82%	102	Write as a Fraction / %	64%	85	Function notation	45%		Population density	18%	
Recurring decimals to fractions	82%	177	Exponential graphs	64%	194	Calculations with money	45%	22	Draw a pie chart	18%	128a
Types of number (square, prime)	82%	81/28	Iteration	64%	180	Non linear simultaneous equations	45%	211	Harder unit conversions	18%	
Solve quadratic equation	82%	157	Circle Theorems	64%	183	Convert units area/volume	36%	112	Ordering numbers in Stan. Form	18%	83
Pythagoras	82%	150	Fraction operations	64%	71/73/74	Inequality regions	36%	198	Angle facts	18%	45
Probability of successive events	82%	204	Relative frequency	55%	125	Perimeter	36%	52	Show lines are parallel	18%	97
Cumulative frequency	82%	186	Averages problem solving	55%	62	Pressure Force Area	36%	142c	Volume problem solving	18%	115/119
Solve quadratics by factorising	82%	157	Geometric proof	55%	193	Inequality diagram	36%	138	Two way tables	9%	61
Solve linear inequality	82%	139	Angles in regular polygons	55%	123	Find a reciprocal	36%	76	Frequency trees	9%	57
Density Mass Volume	82%	142b	Area of a triangle (standard)	55%	54	Area trapezium	36%	56	Area of a circle	9%	117
Area of a triangle (trig)	73%	203	Probability Tree diagrams	55%	151/175	Quadratic formula	36%	191	Construct a triangle	9%	47/147
Linear simultaneous equations	73%	162	Linear equation (2 or more steps)	55%	135a	Direct proportion	36%	42	Parts of a circle	9%	116
Form and solve equation	73%	137	3D Trig / Pythag	55%	217/218	Angles in parallel lines	36%	120	Quadratic sequences	9%	213
write as a ratio	73%	38	Multiple ratio/problem solve ratio	55%	165/200	Gradient by drawing a tangent	36%	208	Angles in irregular polygons	9%	123
Form equation from context	73%	137	Surds - rationalise denominator	55%	207c	Prime factorisation	36%	78	Interpret a pie chart	9%	128a
HCF and LCM	73%	79/80									

MathsWatch

Username: **19JCHAPMAN@toa** (your first initial/surname all in capital letters!)

Password: **circle** (all lowercase – everyone has the same password!)

**Example!!!!**

\*\* The clips are a best fit in some cases. For the topics that do not have a clip it is likely that they are embedded in another topic. Some clip numbers have been repeated due to topics being very similar. You can also spend time revising other simpler “foundation” topics to strengthen basic skills should you need too! Just use the filters for tier / grade when you log on! \*\*

**Make sure you come and pick up a  
“Topic Frequency” sheet from me!!!**

**Finally...I can give you as many resources to  
revise from as you want but YOU need to  
actually sit down and engage with them!**

**The best way to improve your fluency and speed in maths is to  
PRACTICE, PRACTICE, PRACTICE!!!**

# How to prepare for core subjects

Science

# GCSE Sciences

- **Students are taking one of two pathways:**

- ***GCSE Combined Science***

This produces **2** GCSEs e.g. 4-4

- ***GCSE Physics, GCSE Chemistry, GCSE Biology***

These produce 1 GCSE grade each

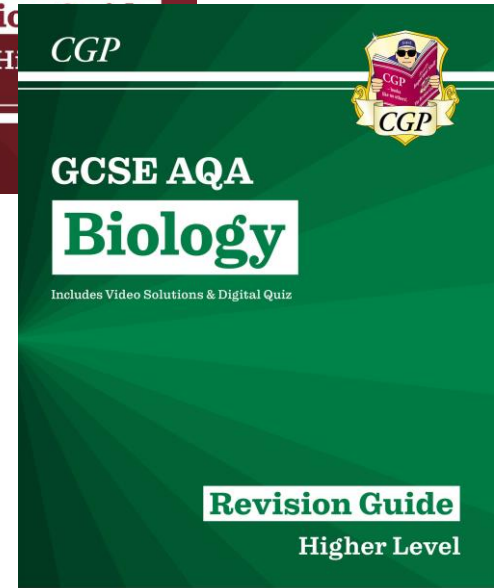

Each GCSE has no bearing on the other.

Students will **not** need to learn any physics equations.

# Support for students in Science

- There is a lot to revise in science.
- All students have been supplied with revision guides
- Students are given 1 piece of homework every week (past paper or educake)
- Wednesday - After school period 6 sessions.
- All science teachers are happy to give any further revision resources.

# Questions parents should be asking .. .

- Do you know what tier you're taking?
- Can you show me your homework?
- Could you show me your educake?
- Can I see your revision guide?
- Will you show me your revision materials?
- Can you attend a period 6 on Wednesday?

Attendance  
and  
Punctuality

Why is it so  
important?

## Based on last years Results

**92** students  
had 90%+  
attendance  
(Non-PA)

Attainment 8 (Average Grade over 8 subjects) was **44.85** - Under 90% 29.5  
Progress 8 is **-0.16** - Under 90% -1.46

4+ in English and Maths was  
**62%** Under 90% 36.7%

5+ in English and Maths was **38%**  
Under 90% 13.3%

44+ in Science was **67%** Under 90%  
31.5%

**ATTENDANCE**  
**MATTERS**  
*ALL DAY, EVERY DAY*

# Current Y11 (Based on Y10 Mocks)

## The last time we collected data

### YOUR Y10 DATA - THIS IS YOU - LOOK AT THE IMPACT OF YOUR ATTENDANCE

Attendance	What this means	How many of you (last year)	Average grade in all GCSE subjects	Average grade difference in all subjects compared to others across the country	Those of you forecasted to get a grade 4 or better in Eng and Maths	Those of you forecasted to get a grade 5 or better in Eng and Maths	Those of you forecasted to get a grade 7 or better in Eng and Maths
<b>Better than 95%</b>	95% = Less than one day off per 4 weeks	<b>40/143</b>	<b>4.6</b>	<b>0.6</b>	<b>63%</b>	<b>35%</b>	<b>12.50%</b>
<b>90-95%</b>	90% = One day every 2 weeks	<b>43/143</b>	<b>4.5</b>	<b>0.4</b>	<b>61%</b>	<b>35%</b>	<b>11.60%</b>
<b>80-90%</b>	80% = One day off per week	<b>37/143</b>	<b>3.8</b>	<b>-0.3</b>	<b>48%</b>	<b>19%</b>	<b>5%</b>
<b>Less than 80%</b>	<80% = More than one day off per week	<b>23/143</b>	<b>2.4</b>	<b>-1.8</b>	<b>9%</b>	<b>9%</b>	<b>4%</b>

# November Mock Exams

# Process during the mocks

Mon 7th November	8.45am	8-8:30am Room:	8:35am	English Literature	2h
Mon 7th November	1.15pm	12:30-1pm Room:	1:05pm	Maths P1	1h 30m
Tue 8th November	8.45am	8-8:30am Room:	8:35am	Combined Science Biology/Biology	1h 15m/1h 45m
Tue 8th November	1.15pm	12:30-1pm Room:	1:05pm	Geography P1	1h 30m
Wed 9th November	8.45am	8-8:30am Room:	8:35am	Maths P2	1h 30m
Wed 9th November	1.15pm	12:30-1pm Room:	1:05pm	French/Spanish Writing F/H	1h 15m
Thu 10th November	8.45am	8-8:30am Room:	8:35am	English Language	1h 45m
Thu 10th November	1.15pm	12:30-1pm Room:	1:05pm	History P1	1h 15m
Fri 11th November	8.45am	8-8:30am Room:	8:35am	Combined Science Chemistry/Chemistry	1h 15m/1h 45m

- Students will be given their Timetable with their mock exams on.

- Prior to the exam, students will have a booster session with the HOF. Once this is completed, they will all walk down together.

- All students expected at the booster session.

- Lateness will not be tolerated to mock exams.

- Mock Result Day –  
December 18th

# Managing Exam Stress

**It's absolutely normal to feel stress when you have exams. In fact, stress can help focus you if managed well.**

## **Top tips:**

- Create a revision timetable
- Have a regular bedtime routine
- Eat breakfast and regular meals
- Revise in chunks
- Take breaks
- Stay active
- Connect with people
- Make time for the things you enjoy

## **Where to get support:**

In-school e.g., safeguarding team, school nurse, tutors, subject teachers

## **Outside agencies and online resources:**

- Kooth
- Me Two
- Change4Life
- Childline
- Charlie Waller Trust
- Nottshelpyourself.org

Year 11 Parents' Revision Evening

# Revision Fayre

- Next door we have a range of resources which are given out – Please talk to teachers about these, we are here to discuss as well as give out things
- Equipment Shop! This will continue to be in main school as of tomorrow – Cash only please.
- MHST – Discuss with them about exam anxiety/support.
- Free Planner Packs – Take one of these to help do your planning at home
- Timetable for the REAL GCSE's is also next door – Please look at these dates carefully.
- Any questions, I am here until the end so please ask.

## Revision Supplies - Prices

	<b>Whiteboard with Pen &amp; Eraser</b>	<b>£2</b>
	<b>Loop of 50 Revision Cards</b>	<b>£1</b>
	<b>Fine Highlighter Pen</b>	<b>20p</b>
	<b>Small Sticky Note Pad</b>	<b>30p</b>
	<b>Large Lined Sticky Note Pad</b>	<b>70p</b>
	<b>Zebra 4-Colour Pen</b>	<b>70p</b>
