

Year 11 Mock exam timetable – 2024/5

Please refer to this document to find out when subject booster sessions and pre-exam subject briefings will take place. Students received their own personalised exam timetable before half term; this is an overview of all exams to support students' revision. Subject staff are providing a lot of support throughout the exam period and students will practice the same routines they will follow in the summer for their real GCSE exams. Please note that some practical mock exams take place outside of the mock exam window plus Cambridge National PE students sit real GCSE exams, counting towards their GCSE grade in January.

With that in mind, all students must attend the pre-exam booster sessions which take place in the bleachers. These happen at 8:35am and 1:10pm and provide students with key messages, hints and tips about the exam they are about to sit. Booster sessions lasting 30 minutes will also take place, on the whole, before school or at lunchtime with the occasional session after school (full details of times and rooming is below). **All Year 11s will have lunch at 12:20pm throughout the mock exam period (18 – 29 November) to enable them to attend lunchtime booster sessions. Students will also be allowed to go home once afternoon exams have finished.**

Please note that although there is a review day and 2pm finish for younger students on the 27 November, GCSE Geography students sitting their exam that afternoon will be on site until the exam finishes at approximately 2:45pm.

Week	Date	Start Time	Booster sessions AM 8-8:30 PM 12:30-1 After school 3:10-3:40	Title	Duration
Week 1	Mon 18th November	8.45am	AM - All English staff	English Literature Paper 1 - Macbeth & A Christmas Carol	1h 45m
