CO-CURRICULAR PROGRAMME 2025

The
Oakwood
Academy

Welcome to Curriculum Plus

Our academy promotes activities that widen our students' experiences through our Curriculum Plus programme. This includes opportunities to participate in sport clubs, the performing arts, trips abroad, cultural experiences and character-building challenges.

These experiences help to develop our students' self-confidence, build their resilience, and feel a sense of belonging. They also challenge our students to learn new skills and find a passion that they can take with them throughout their life.

Students can take part in activities they already love or choose to try something brand new. We encourage all students to get involved and choose at least one or two Curriculum Plus activities.

Find out more about our Curriculum Plus programme by following [@RedhillPlus](https://twitter.com/RedhillPlus) on Twitter.

Our guiding principles

- 1 High expectations for all
- 2 Widening students' experiences
- 3 Outstanding teaching
- 4 Committed to equality & diversity
- 5 Celebrating academic achievement

Curriculum Plus

What is Curriculum Plus?

Curriculum Plus is our extra-curricular activities campaign which gives students the opportunity to have different experiences outside of their normal school day.

Curriculum Plus activities take place at break, lunch and after-school and are hosted by a variety of faculties; some are related to sports and physical activities, others are centered around well-being and others are extensions of our curriculum and offer support to students who need it.

Why is it important?

At The Oakwood Academy, we believe in helping to develop students as an entirety. This means helping them to progress in more than their educational attainment; developing their confidence, extra-curricular skills and helping them to discover their interests in a safe, welcoming environment.

Click on a club name to learn more about it.

Sports
Hall

With Handball being our Trust sport, we want as many of you participating in it as possible! Not only will you have the opportunity to learn about this sport in lessons, but we also now have a club where you can learn more advanced skills and tactics as well as plenty of opportunity for game play!

This opportunity is for Key Stage 3 students only, but with enough interest we will look to expand this for KS4. We will learn new drills, try new positions and work on tactics that can help us be even better for next Handball Trust Games. So come down to the Sports Hall every Monday after school and give it a go

Years 9-11

Monday
3.10 to 4.10

Field

This year, we are launching our first ever Football Academy at The Oakwood Academy. We have been fortunate enough to obtain some funding that will support us with this opportunity, which has included brand new equipment, kit and gym equipment. This opportunity will provide weekly coaching after school Wednesday KS4 3:10-4:10pm, which will include football specific drills, games but also strength & conditioning in the gym; taking part in fixtures and tournaments in the city and county; kit that is specific to each individual and team; and hopefully trips to local and or national/stadiums.

If you wish to be a part of this opportunity you must not only show your commitment through attending all training sessions and fixtures, but also represent The Oakwood Academy as a role model to others. This can be through helping with other sporting opportunities at school, supporting in lessons, and using initiative to help with your own and others development.
